TURN THE CENTERPIECE OF YOUR HOME INTO A MASTERPIECE

*Buy Smarter with SPECIALTY APPLIANCE
in Denver, Louisville, Fort Collins & NOW
Colorado Springs*

Did you know that on an average a kitchen appliance lasts between 5 and 18 years? That depends on the type of

appliance, and how much you use it.

Regardless, it's inevitable that you will need to replace them. You can have confidence that nothing makes a more significant impression than new appliances. Upgraded appliances instantly bring a new luxurious look to your kitchen. In addition to the look, new appliances are more efficient and will save you quite a bit of money over time.

SPECIALTY APPLIANCE has been Colorado's premier retailer for kitchen appliances for more than 17 years. We stock the widest variety of appliances to ensure our customers get the best appliances at the best prices.

There are many choices when it comes to kitchen appliance retailers, but none will help you buy smarter than Specialty Appliance. Our knowledgeable sales staff will evaluate your needs and help identify the best product for you – meaning you won't waste money on bells and whistles you don't need. Our expert sales staff can even make house calls, ensuring your kitchen appliances fit seamlessly in your home.

Our factory certified in-house appliance installers strive to exceed our customers' expectations from the moment they walk in the door until all of their appliances are installed. We will deliver, unpack, connect, inspect and test all of your new appliances so you can enjoy your luxury kitchen appliances, hassle-free. Don't just buy appliances; buy smarter!
